

The Chicago Area Business Aviation Association
5th Annual Aircraft Maintenance Seminar Series – November 1, 2017

September 25, 2017

Dear Friends and Colleagues:

On Nov 1, 2017, the Chicago Area Business Aviation Association (CABAA) will be hosting its 5th Annual Maintenance Seminar. With the success and positive feedback from last year's event we have decided to return to the K1 Speed location. For those who didn't make it to last year's event, it was a great combination of education & networking with spacious meeting accommodations, exciting entertainment, great food and drinks.

Thanks to the tremendous support of our Sponsors last year, we offered a dedicated \$7,500 Maintenance Scholarship for the first time ever, in 2017. We are striving to promote Business Aviation to the next generation of technicians with this scholarship offering for years to come. Your support is greatly appreciated by all, especially the recipients of the scholarships!

Below is the final agenda and a form that details the sponsorship levels and selection process, along with lists of previous sponsors and attendees. We will make it a priority to highlight your role in making our event possible at every opportunity. For further information, or to discuss other sponsorship opportunities, please contact me, one of the committee members, or Sandy Frentz.

Thank you for your support!

5th Annual Aircraft Maintenance Seminar Series - November 1, 2017

Sponsorship Levels

Taken – Alberth Aviation and Satcom Direct are the Track Sponsors.

Race Track Sponsorship: \$1400

We have two race tracks reserved for one hour. Both track sponsors will be co-identified as the key sponsors and their track identified with a poster board. Track sponsors will be provided a table for networking with customers and displaying their promotional materials, presentation of company name and logo on promotional materials / program notebook, and announcements throughout the day. **Only the two Track Sponsors will have the option for brief presentation at the podium.** Four event registrations are also included.

Platinum Sponsorship: \$1100

Platinum Sponsors will be provided a table for networking with customers and displaying their promotional materials, presentation of company name and logo on promotional materials / program notebook, and announcements throughout the day. Three event registrations are also included.

Gold Sponsorship: \$900

Gold Level Sponsors are provided with a table for networking with customers and displaying their promotional materials, presentation of company name and logo on promotional materials / program notebook, and announcements throughout the day. Two event registrations are also included.

Silver Sponsorship: \$700

Silver Level Sponsorship includes presentation of company name and logo on promotional materials / program notebook and announcements throughout the day. One event registrations is also included.

Product Donations for Raffle / Door Prizes

Funding through Sponsorships is critical to the success of every CABBA event. We understand that product donations are preferred by some companies and cash donations are not possible. Contact Mark Quandahl at 847-341-7543 or mark@qualityaircrafttesting.com to discuss optional sponsorships for this event.
